PERRY I. PITCHFORD,)	Honorable Thomas J. Frawley

Appellant.)	FILED: March 28, 2017

Perry I. Pitchford (Pitchford) appeals from the trial court's judgment and sentence following a jury's verdict of guilty on charges of robbery in the first degree and armed criminal action.

AFFIRMED.

Division Four Holds: The trial court did not plainly err in (1) admitting recordings of telephone calls Pitchford made from jail because the State's production of the recordings the day of trial did not constitute a discovery violation; (2) giving copies of a single instruction to each juror; (3) admitting evidence of uncharged bad acts and parole violations because the evidence was either relevant or brought into the case by Pitchford; and (4) allowing the State's comment during voir dire because it did not suggest special knowledge of facts showing Pitchford was guilty.
